Low-Income Weatherization Program

Pacific Power partners with local agencies to provide free weatherization services to income-qualifying homeowners and renters living in mobile homes. Based on the home's needs, a variety of measures can be installed, including insulation, energy-efficient showerheads, LED light bulbs and more. All of these measures are designed to lower your electric bills while keeping your home comfortable. Learn more: <https://www.pacificpower.net/liweatherization>
